DESCRIÇÃO :

Dux Ultra is a rugged case designed for real-world use: it offers military-grade protection without sacrificing ergonomics or productivity. Its design combines a lightweight, impact-absorbing shell, a transparent labeling-friendly back, a multifunctional magnetic stand, and integrated storage for the Apple Pencil or Logitech Crayon. Ideal for students, professionals, and corporate environments, Dux Ultra protects your iPad in backpacks, classrooms, and fieldwork settings, keeping it always ready to work.

PONTOS FORTES :

- Superior protection: certified to exceed MIL-SPEC testing, shielding against drops, impacts, and demanding everyday use.
- Smart design: slim where it matters and reinforced where needed, avoiding unnecessary bulk.
- Clear, asset-tag-ready back: simplifies inventory management and customization in educational or business environments.
- Multifunction magnetic stand: the cover attaches to the back and works as a stable stand for hands-free viewing.
- Storage for Pencil/Crayon: holds Apple Pencil (1st gen or USB-C) and Logitech Crayon securely and neatly integrated.
- Comfortable, reliable use: tactile buttons for easy access, even when wearing gloves, and accessible ports for charging and carts.
- Light water resistance: TPU cover and frame provide added protection against splashes.
- Designed for education and enterprise: lightweight for kids yet robust enough for long-term deployments.
