DESCRIÇÃO :

Introducing the Total Protection Stick-It case for AirTag. This case is the total solution to fit your lifestyle. Not only is it drop-proof and waterproof - but it's the perfect solution for your precious cargo.

Easy to Stick - Hard to Budge

Each Total Protection Stick-It case for AirTag has an in-built 3M VHB removable sticker that can be fastened easily to most surfaces so you protect what matters most.

What makes the Total Protection Stick-It case the right choice for you?

Engineered for Ultimate Waterproof Protection

Each Total Protection Stick-It case for AirTag is 100x more waterproof (330ft) vs naked AirTag device (3.3ft) meaning you can surf those waves all day long.

Built for Adventure

Designed with raised edges to protect from bumps and scratches, each Total Protection Stick-It case for AirTag has 10ft Military Standard 810G Drop Protection ensuring that your valuables are always safe and secure.

No Signal or Sound Loss

All of our AirTag cases are completely compatible with the AirTag signal technology ensuring premium protection while emitting sound in hard-to-find places.

Open Design

Each Total Protection Stick-It case firmly grips your AirTag while keeping your customized AirTag emoji visible.
