DESCRIÇÃO :

Need a bag for all situations? Introducing LE13 Black Pearl! LE13 Black Pearl is waiting for you, whether you're a traveler, student or businessman! This dual-compartment bag incorporates a removable computer protection panel to increase the available volume so you can freely convert it into a mini-case. With quick access to front pockets and a back pocket compatible with trolley cases, LE13 Black Pearl will make your digital life easier! Designed with numerous pockets and spacious compartments, LE13 will be the keeper of your digital accessories. With these high strength nylon materials, shock absorbing foam, secure closure, your computer and personal belongings are safe.
